

**The U.S. Navy
INVITES YOU TO PARTICIPATE
in the Hawaii-Southern California
Training and Testing EIS/OEIS Process**

The U.S. Navy is preparing an Environmental Impact Statement/Overseas Environmental Impact Statement (EIS/OEIS) to evaluate the potential environmental effects associated with conducting training and testing activities within the Hawaii-Southern California Training and Testing Study Area, including activities that involve the use of active sonar and explosives, beginning in 2018. Proposed activities are similar to the types of activities that have been occurring in the Study Area for decades.

Public Involvement

The Navy welcomes input on the scope, content, and resources to analyze in the Draft EIS/OEIS. Comments will be accepted during the scoping meetings, online at **www.HSTTEIS.com**, or by mail at:

Naval Facilities Engineering Command Pacific
Attention: HSTT EIS/OEIS Project Manager
258 Makalapa Drive, Suite 100
Pearl Harbor, HI 96860-3134

Comments must be postmarked or received online by Jan. 12, 2016, for consideration in the Draft EIS/OEIS.

Please visit **www.HSTTEIS.com** for more information or to submit comments online.

Open house scoping meetings will include poster stations staffed by Navy representatives. There will not be a presentation or formal verbal comment session.
