

The U.S. Navy INVITES YOU TO PARTICIPATE in the Hawaii-Southern California Training and Testing EIS/OEIS Public Involvement Process

The U.S. Navy has prepared a Draft Environmental Impact Statement/Overseas Environmental Impact Statement (EIS/OEIS) to re-evaluate potential environmental impacts associated with ongoing naval training and testing activities conducted within the Hawaii-Southern California Training and Testing EIS/OEIS Study Area. These activities include the use of active sonar and explosives while employing marine species protective mitigation measures, and are similar to the types of activities that have occurred in the Study Area for decades. The Navy is also conducting National Historic Preservation Act section 106 consultations regarding the potential effects on historic properties.

Public Involvement

The Navy welcomes your review and substantive comments on the Draft EIS/OEIS. Comments may be submitted at the public meetings, online at www.HSTTEIS.com, or by mail to:

Naval Facilities Engineering Command Pacific
Attention: HSTT EIS/OEIS Project Manager
258 Makalapa Drive, Suite 100
Pearl Harbor, HI 96860-3134

**Comments must be postmarked or received online by Dec. 12, 2017,
for consideration in the Final EIS/OEIS.**

For more information or to submit comments online, visit: www.HSTTEIS.com

The public meetings will include informational poster stations staffed by Navy representatives, a brief presentation by the Navy, and a public oral comment session. The Navy presentation and comment session will occur twice during the meetings. A section 106 information station will also be available, where subject matter experts will explain the process and solicit public input.
